1. ENTRY

The Social Assistance Scheme is support and provision of temporary financial assistance to families living in poverty. This Scheme is regulated by Law no. 2003/15 on the Social Assistance Scheme in Kosovo and Law no. 04 / L-096 on Amending and Supplementing Law no. 2003/15 on the Social Assistance Scheme in Kosovo.

The monthly payment of the beneficiaries of this Scheme is made according to the number of family members. The minimum amount is sixty (60) euros (families with one (1) member) while the maximum amount is one hundred and eighty (180) euros (families with fifteen (15) members). Plus extras of five (5) euros for each child aged 0-18 years. It is worth mentioning that in addition to the basic amount, the family selected for SNS, for each child aged zero (0) to eighteen (18) years, realizes a financial benefit of five (5) euros as a child supplement, in order to encourage of education and health improvement.

To exercise the right to social assistance, all family members must be citizens of the Republic of Kosovo, exceptionally, also foreign citizens who:

- a) have a residence permit,
- b) persons in the capacity of asylum seeker,
- c) persons in the capacity of a refugee, and
- d) persons who enjoy temporary and additional protection, and meet the conditions for categorization in one of the following categories:

The first category - the family in which all family members are dependent and none of them is employed;
AND

The second category - a family with a able-bodied member, with at least one child under the age of 5 or who have a permanent caregiver under the age of 15.

The Ministry of Labor and Social Welfare, through the Department of Social and Family Policies, drafts the legal infrastructure, monitors, controls, inspects the quality of services provided by the CSWs according to the legislation in force and plans and allocates the necessary budget funds for aid payments. social, according to the requests of the municipalities-CSWs, in cooperation with the Ministry of Finance.

The main purpose of drafting this report is the fulfillment of the obligations that MLSW / DPSF has to report on the achievement of IPA 2019 indicators, namely the fulfillment of indicator number seven (7): **“Transparent and gender-disaggregated statistical data for distribution of social assistance. ”**

Figure 4: Case Holders by gender, january 2021

Figure 5: Family members by gender, january 2021

Based on Table 2 and Figure 4, we find that out of 25,678 case holders / families that were in January 2021 beneficiaries of the Social Assistance Scheme, 16,947 case holders or 65.77% are male while 8,821 case holders or 34.23% are female. So, the number of male carriers is higher by 8,126 carriers or 31.54% compared to the number of female carriers.

As for the gender of family members, we find that out of 103,303¹ family members, 50,148 or 48.54% are male while 53,155 or 51.46% are female. So, in family members we have a greater inclusion of women for 3,007 members or 2.91% compared to male members. See Table 2 and Figure 5.

¹ **Note:** this number also includes case holders

2.3. National structure of families and family members in social assistance

According to Table 3, the largest number and percentage of families and family members, beneficiaries of social assistance, are Albanian families / residents, with a total of 19,553 families or 73.48% and with 81,243 family members or 78.68%, followed by Serb families. with 2,688 families or 12.80%.

Thus, non-Albanian families in the Social Assistance Scheme participate with 6,000 families or with 23.28% (2,688 or 12.80% Serbian families and 3,382 or 13.12% families of other minority communities in Kosovo). See Table 3 and Figures 6 and 7:
